

San Carlos de Bariloche 2024

INVITATION FROM MÚSICA VIVA FOUNDATION

We invite Godmothers and Godparents (Entities, Companies, Pymes or individuals) to collaborate with our projects at Fundación Música Viva.

Our goal is to respond to the social and cultural demands of different sectors of our community by creating group singing spaces for children, adolescents and adults.

As a multidisciplinary team, we believe in the transformative power of group singing, interacting with others through our own voice. During 2023, many workshops were held:

- Singing Workshop for children in Grupo Encuentro, a civil association that supports and accompanies children, adolescents and young people through training workshops and classes after school.
- Asumir Choral Workshop: Addiction Rehabilitation Therapeutic Community.
 - Choral Workshop in Barrio Frutillar, for young people and adults.
 - UNTER Choral Workshop, for education workers from the province of Rio Negro.
 - Choral Workshop in the Library of Ramon Carrillo Zonal Hospital.
 - Choral Workshop in Secondary School for Working Adults.
 - UPAMI Choral Workshop, for seniors. In collaboration with Universidad Nacional del Comahue.
- Bariloche Chamber Choir.
- Virtual and in-person group singing and tuning lessons.
- Continuous training space for trainers, in conjunction with the NGO Redes Musicales.

This year, we plan to continue these activities and expand them to other sectors of the community.

How to collaborate?

Contributing with one or more music credits. Each music credit today equals \$6000.

** 100 Music Credits are required to sustain each Workshop for 6 months.

**200 Music Credits are required to sustain each Workshop for one year.
